Gender Inclusive and Accessible Housing Statement

New Jersey Institute of Technology and the 2020 Regional Business Conference is committed to providing a community that is accepting of students and staff of different backgrounds, attributes, beliefs, and identities. All members of our community are responsible for supporting an atmosphere that appreciates these individual differences. We believe that our students and staff can only achieve their full potential in an environment that supports and promotes the idea of an inclusive community. During the registration process, delegates will have the opportunity to opt into gender-neutral housing during their stay on our campus. This will entail living and sleeping in rooms which may be shared with delegates of other genders. Please be aware of what gender-neutral housing entails before opting in.
